### **Program Details:**

- Seven weeks (Sept. 6 - Oct. 21). Final practice is Sat., Oct. 21st. 30+ hours of practices/training/instruction, team and competition aspects and loads of fun!
- The Fall Youth Program is designed to give the Junior High and Youth players a quality volleyball training program and team experience to prepare for their Jr. High school tryouts and season. At the same time, the Fall Youth program helps prepare players who will be trying out to play in the much larger Spring Youth club season at Illini Elite.
- The Fall program is open to all 5th through 8th grade players. All new players are welcome! It is not required to have played with Illini Elite before.
- Players will be divided into teams of 8-10 players based on grade and ability.
- Practices will be two days per week at the Illini Elite Training Center starting

#### **Wednesday, September 6th at 5:30 PM:**

Wednesday nights - 5:30-7:30 PM *(or 5:00-7:00/7:00-9:00 if we need to split up the practice times due to the number of players)*

Saturday afternoons - (times may vary, but the typical time will be 3:00-5:30 PM) *(The practice times will change if we have too many players for one time slot, in which case we will split the time slot and have two practice sessions each day.)*

- A Fall Youth Program Practice Calendar will be posted on the Practice Schedule page on the Illini Elite website shortly after the first practice once all sign-ups are done.
- For 2017, we hope to have some scrimmage/competition dates with Central Illinois Elite instead of traveling to the GLC for their Land of Lincoln Events. If one of the GLC events works out and has enough teams signed up, we may try to send teams there.
- Cost: \$395.00/player (paid online when you register at AllPlayers.com and includes a practice shirt, uniform T-shirt, all practices and coaches' fees.)
- Please check [www.illinielite.com](http://www.illinielite.com) for any Fall Program updates and/or changes. The Fall Junior High & Youth Volleyball Clinics flyer is also posted which includes our All Skill clinics, Setting clinics and Attacking/Serving clinics. The Elite Team Training Program also returns this fall along with the Sunday Junior High Prep training program.

**Check out the Fall Jr. High & Youth Volleyball Clinics at [www.illinielite.com](http://www.illinielite.com) for the Jr. High (grades 5-8) and Youth players (grades 1-5).**
