What is Mini-Volleyball?

Mini-Volleyball is volleyball played with adjustments for the young player. It is played on a smaller court, lower net, lighter ball and rule modifications to introduce the young player to volleyball.

Mini-Volleyball and VolleyTots are programs that emphasize motor learning through various volleyball-like skills. The young players (VolleyTots) will focus on motor development/learning, movement, skill development, volleyball-like games and lots of fun! The older players (Mini-Volleyball) will focus on motor development, basic volleyball skill foundations, 3 contact play development, a little competition and more!

Loads of fun and learning! Bring a friend!
