

## 2017 Tryout Registration Instructions

**\*\*\*NEW FOR 2017\*\*\*** - Everyone is required to make a new AllPlayers.com account (unless you registered for any of our Winter Youth Programs) because it is a brand new registration platform. Your login/password from previous years will no longer work.

For those who have not played at Illini Elite in the past - we are a JVA (Junior Volleyball Association) and AAU club. All tryout registrations and JVA Release/Liability and Medical forms must be completed online.

**PLEASE READ AND FOLLOW THE INSTRUCTIONS CAREFULLY:**

**DO NOT WAIT UNTIL THE LAST MINUTE TO REGISTER FOR TRYOUTS. PLAYERS WILL NOT BE ALLOWED TO TRYOUT IF THEY HAVE NOT COMPLETED BOTH PARTS OF THE REGISTRATION. WE WILL BE PULLING OUR LISTS FOR TRYOUTS THE DAY BEFORE THE SIGN-UP DATES SO WE CAN HAVE OUR LISTS PREPARED FOR EASY CHECK-IN. DO NOT WAIT UNTIL THE LAST MINUTE AS IT CREATES ISSUES FOR US TO RUN OUR SIGN-UP DATES AND TRYOUTS EFFICIENTLY.**

Online Registration Steps:

- 1) Create a new AllPlayers.com account, login and password in the new system by going to: <http://illinielite.allplayers.com> and then click "Register" in the top right corner. Once you have created your account, you can then go back to the "Featured Products" page.

**NOTE: CREATING THE ALLPLAYERS.COM LOGIN DOES NOT REGISTER YOU FOR ANYTHING. IT ONLY ALLOWS YOU TO ACCESS THE REGISTRATION TO REGISTER FOR TRYOUTS.**

- 2) Register for tryouts. To register for tryouts click the appropriate age group from the "Featured products" and follow the directions on that screen. PLEASE MAKE SURE TO READ ALL THE DIRECTIONS BEFORE ADDING THE PRODUCT TO YOUR CART.
- 3) After registering for tryouts, you must then complete the JVA player forms online. This process now occurs through SportsEngine.com instead of AllPlayers.com. The direct link to complete the Illini Elite 2016-17 JVA player forms is:

<https://jvaregistration.sportngin.com/register/form/470844826>

- Step 1- Select "sign up" on the page the link brings you to.
- Step 2- Enter your information with a valid e-mail.
- Step 3- Activate your account through the e-mail you receive at the address you entered and select "continue".
- Step 4- When it asks "who are you registering?", select a "new player."
- Step 5- Enter all of your player's information. When you get to the section that asks for "Organization", enter "Illini Elite" for "Organization" AND "Team". For the club, select "Illini Elite VBC" from the drop down list.
- Step 6- Enter parent information.
- Step 7- Enter information for waiver, emergency contact, and medical information.
- Step 8- Select Review and if the information is all correct, select submit.

**Each season, there are parents/players who do one or the other, but not both. Please be sure to check that you have completed both the Tryout Registration AND the JVA Player Forms before you attend the sign up dates.**
