

Scoring Clinic Instructions

It is extremely important that all of our players and coaches know how to complete the Score Sheet for both non-deciding and deciding sets. This will ensure that all matches run smoothly and efficiently. In order to view the Score Keeping Tutorial, follow the link and directions below:

IF YOU HAVE NEVER DONE THE SCORE BOOK BEFORE:

After clicking on the link, scroll down to the bottom. In the last row in the left column you will see a box that says "Comprehensive Scoring Clinic". After you click this it will give you two options. Click "**Play Material**". It will then walk you through the tutorial video step by step.

IF YOU HAVE DONE THE SCORE BOOK BEFORE, BUT NEED TO BE REFRESHED:

There are 2 different, and shorter, videos if you only need to be refreshed on how to do the book. After clicking on the link, scroll down. In the row third from the bottom in the right column there will be a box which says "Scoring Basics, Non-Deciding Set". After you click this it will give you two options. Click "**Play Material**". It will then walk you through the tutorial video step by step. There is also a second video which needs to be viewed. In the second to last row in the left column there is a box titled "Scoring Basics, Deciding Set". Follow the same process to go through this tutorial as you did the last.
